

# Barleens Dinner Show 2017-2018 Season

# THEATRE SEATING CHART

Our seating is arranged to give everyone in the theatre the best possible view of the stage. Our rectangular tables are parallel to the stage with seating assigned in pairs across from one another. Dinner is served first, and after dessert, before the show starts, patrons who are not facing the stage are invited to turn their chairs around. Please note the table number you prefer when calling to make your reservation.

Don't miss out on your favorite table! **FOR RESERVATIONS CALL: 480-982-7991**
